Dear Friends:

On behalf of the citizens of the Commonwealth of Virginia, I am pleased to extend my heartiest congratulations to you on the new partnership between The House, Inc. and Freedom High School.

Your steadfast dedication to helping young people succeed is an inspiration to countless Virginians. The House's innovative methods and sense of civic responsibility has already made a significant impact in Prince William County, while Freedom High's reputation as a top-notch center of learning has earned it the confidence of the Woodbridge community. From providing mentoring and tutoring services to offering a variety of athletic activities, this new partnership aims to make a major difference in the lives of your students by bringing The House's after school program to Freedom High's campus. This new era of cooperation promises to take both institutions to new heights.

Again, congratulations on this auspicious partnership. I have every confidence that you will succeed greatly in your endeavors.

Sincerely,
